

8th Annual Earth Day Celebration

Event Date

Sat, Apr 20 2024, 9am - 12pm

Please mark your calendar for **Saturday, April 20, 2024**, for our 8th Annual Earth Day celebration in Sleepy Hollow. We are asking all Earth Day volunteers to gather at the Village Hall at 9:00 AM. The event runs from **9:00 AM until noon**. In 2023, we had over 30 participants giving back to our community. All we ask is that you bring a garbage picker, a 5 -gallon bucket, and a

positive community spirit to help keep our neighborhood clean and aesthetically pleasing for all to enjoy. The Village will provide garbage bags, safety vests, and a handful of pickers for anyone that can't purchase one. Garbage pickers and buckets can be purchased at Home Depot. Rain date will be on Saturday April 27th if needed. A liability waiver will need to be signed and notarized by all volunteers to participate. Looking forward to another great event within the Hollow!
