The Village will realize over \$350.00 per month in Motor Fuel Tax credits on this basis. Mr. Fischer moved that the women who took the census be paid a total of \$61.38. Mr. Gordon Kosche discussed a park district for property owners only within the Village. Mr. Strass is to check into the legality of such a district and report at the next meeting.

Mr. Frank Hlavachek read a report from the Glen Oak Club Board. He, and other members of the board complained of the club owners allowing anyone to join the club for a fee of \$14.00 per month on a monthly basis. The Club was originally to be limited to 300 members each paying an initial fee of \$200 and \$150.00 per year membership, and to be governed by a Board of Directors. Mr. Hlavachek and his board resigned as they feel that they no longer have any control over who can become members (as was originally set up) and they also do not feel that it is fair to the original members, who paid their specified amounts, to have memberships of \$14.00 per month for a chosen few.

The meeting was adjourned at 10:10 PM.

Respectfully submitted,

T. Carl Hoelzer
Village Clerk
