

Driveway Paving Scams

News Release Date

04-24-2024

There have been recent news reports of driveway paving scams in the area. While the Village has not received any reported scams occurring within the Village, we wanted you to be aware that it is happening. The scam results in shoddy or non-existent asphalt paving work on driveways after paying thousands of dollars to fictitious companies. For more information on the issue please see the article from the Daily Herald at:
